## Elden Ring Mem Patch [+ DLC] [Latest] 2022

The first project of legendary video game developer and 2D animation company HAL Laboratory, Director of Evoland 2. With his explosive and ever-provocative "RPG Maker 2000 x 1" version, Koji Igarashi produced many gaming classics which have enjoyed long-lasting popularity. However, Igarashi also stepped on the path of unique development and since then, the risk he took has paid off. HAL
